

Look-Fan DMX

DMX-controllable centrifugal blower

a Look Solutions product

powerful output

controllable via DMX

supplied with hanging yoke

made in Germany

The **Look-Fan DMX** is a powerful fan with 850 Watt.

It can be used where fog needs to be distributed quickly and constant or where a strong wind effect is needed.

The supplied hanging yoke guarantees a flexible use and can be adjusted in every needed angle.

The **Look-Fan DMX** can also be build onto a stand.

The fan is controllable via DMX and can be adjusted from 0 to 99%. The DMX start-address can be adjusted and saved in the internal display.

The output power can also be adjusted in this display, along with start or stop functions.

Technical Data

Procedure	Centrifugal blower
Power consumption max.	850 Watt
Voltage	230 V / 50 Hz
Speed	max. 1250/min.
Volume flow	approx. 9000 m ³ /hrs.
Adjustments	0 - 99%
Weight	29.5 kg
